Colorado Springs (December 3, 2018) – AEG Presents and The Broadmoor World Arena are excited to announce JUDAS PRIEST *Firepower 2019 Tour* with URIAH HEEP at The Broadmoor World Arena on Wednesday, June 5, 2019.

With Judas Priest's latest studio album, *Firepower*, confirmed as one of the most successful of the band's entire career - landing in the "Top 5" of 17 countries (including their highest chart placement ever in the U.S., at #5) - demand to see the legendary metal band in concert is higher than ever.

Colorado Springs "head-bangers" will get their chance to experience the legendary band when KILO presents Judas Priest *Firepower 2019 Tour* at The Broadmoor World Arena – one of their 32 tour dates next summer - on Wednesday, June 5 with the classic metal band Uriah Heep.

"Metal maniacs - Judas Priest is roaring back to the USA for one more blast of *Firepower!* *Firepower 2019* charges forth with new first-time performances born out of *Firepower*, as well as fresh classic cuts across the decades from the Priest world metalsphere. Our visual stage set and light show will be scorching a unique, hot, fresh vibe - mixing in headline festivals, as well as the in-your-face venue close ups. We can't wait to reunite and reignite our maniacs...THE PRIEST IS BACK!" said Judas Priest.

Tickets will go on sale Friday, December 7 at 10 a.m., and will range in price from \$49.50 to \$69.50, plus applicable fees. They will be available at The Broadmoor World Arena box office, BroadmoorWorldArena.com, AXS.com, or via phone at (719) 520-SHOW. They can also be purchased at the Pikes Peak Center box office or at PikesPeakCenter.com.

There are few heavy metal bands that have managed to scale the heights that Judas Priest have during their nearly 50-year career - responsible for issuing such all-time classic albums as *British Steel*, *Screaming for Vengeance*, and *Painkiller*, as well as the anthems "Breaking the Law," "Living After Midnight," and "You've Got Another Thing Coming."

Priest's presence and influence remains strong, as evidenced by the chart performance of *Firepower* and its glowing reviews, a Grammy Award win for 'Best Metal Performance', plus being a VH1 Rock Honors recipient and receiving a Rock and Roll Hall of Fame nomination.
