Colorado Springs (August 1, 2018) -- Due to high fan-demand, **Five Finger Death Punch** and **Breaking Benjamin** have announced an expansion of their co-headlining North American outdoor amphitheater tour with additional dates that will bring both bands to The Broadmoor World Arena on Wednesday, November 7 at 6 p.m. The groups launched their massive summer tour in Seattle on July 16.

Tickets will go on sale Friday, August 10 at 10 a.m. at The Broadmoor World Arena box office, BroadmoorWorldArena.com, AXS.com and via phone at (719) 520-SHOW. They can also be purchased at the Pikes Peak Center box office and at PikesPeakCenter.com.

VIP packages that include premium seats, meet and greets, photos and exclusive merchandise are also available via the same outlets.

Co-produced by Live Nation and Frank Productions, the Colorado Springs stop of what has been called the biggest rock event of the year will also feature global 2018 breakout rock band **Bad Wolves**, Swedish heavy weights **In Flames** and chart toppers **From Ashes To New**. The artists are also dominating the rock charts with their most current singles - **Five Finger Death Punch** at No. 7, **Breaking Benjamin** at No. 8, **Bad Wolves** at No. 16 and **From Ashes To New** at No. 3 this week.

"We have an extremely loyal travel-to-the-end-of-the-world diehard fanbase, so our shows are always packed and a blast. With that said, this current run turned out to be the most-attended, most-successful tour we have done to date," said **Five Finger Death Punch** guitarist Zoltan Bathory. "Those cities we couldn't fit into this summer run--worry not--we heard you all! We're extending this tour all the way through the fall, so we will see you soon."

"We've been having a blast on this summer tour with **Five Finger Death Punch**," adds **Breaking Benjamin** lead vocalist Benjamin Burnley. "The reactions to this tour from both of our fanbases have been huge, so it only made sense to keep the fun going this fall. We're happy to have a chance to play more songs from EMBER while reminding the world that 'rock's not dead.' See you there!"

Fans purchasing a ticket to the tour are also supporting two charities that are close to the co-headliner's hearts as they are donating a portion of every ticket sold to two charity organizations. **Five Finger Death Punch** has chosen C.O.P.S - Concerns of Police Survivors, an organization whose mission is rebuilding shattered lives of survivors and co-workers affected by line of duty deaths, through partnerships with law enforcement and the community.

Breaking Benjamin has chosen Prevent Child Abuse America to help counteract the abuse and neglect of our nation's children by promoting services that improve child well-being and developing programs that help to prevent all types of abuse and neglect.
