"I'm so honored to be invited back by my friends at Compassion International to now headline The Roadshow Tour for the first time," said 4-time GRAMMY® nominee Matthew West. "I firmly believe that every concert can be not just a concert, but a life changing experience. I've seen God at work night after night in the lives of people who attend. And, because of the work of Compassion International, the impact goes far beyond those in attendance at the shows. Many children's lives are being radically changed, rescued from poverty through the blessing of sponsorship."

2019 will mark 3-time GRAMMY® winner Michael W. Smith's first appearance in the talented line-up. "I'm really looking forward to being a part of The Roadshow Tour," said Smith. "I'm going to start off the night in a really unique way – on the floor of the arena surrounded by the crowd. I'm grateful for my long and productive relationship with Compassion International and I appreciate them providing the opportunity for me to kick off these concerts setting the tone for the night from the very beginning."
