PREMIUM OPPORTUNITIES AT THE PENROSE CLUB

ESTABLISHED IN TRADITION...

The Penrose Club opened in 1998 in honor of the legendary Spencer Penrose, founder of the World-class Broadmoor Hotel. Since then, Penrose Club members have enjoyed exquisite service in an elegant atmosphere and years of spectacular events from the best seats in the house.

The mission at The Broadmoor World Arena and Pikes Peak Center is to provide world-class entertainment and community support within the Pikes Peak Region. Both venues are managed by a non-profit board of directors.
